Hi Lance –

Hope you are doing well. We really need your assistance here. Can you let us know the status of the production of the code referenced below?

Thanks very much for your help,  
Grant

Lance –

Based on prior communications, we wanted to follow up with you to confirm when Google will produce certified versions of the Android code pursuant to the subpoena. As discussed, relevant versions of Android code include (at least) versions 1.0 through 2.2 (i.e. API Levels 1-8).

Jon B. Hyland
